

Star USA Federal Credit Union Community Contribution Guidelines

At Star USA Federal Credit Union we believe in giving back to the community. Southern West Virginia has been our home since 1936 and we are dedicated to strengthening the community that supports us. As a local, not-for-profit institution, Star USA FCU understands the importance of community support and involvement and believes that we can make a difference by investing in each other.

We've developed the following criteria to allow us to focus our efforts as well as maximize the impact we have on our community. This may not cover every possibility, and we reserve the right to make exceptions based on the purpose of the donation and community impact of such.

Eligibility:

- Must be a local civic, charitable, or academic not-for-profit organization/event
- Select Employee Groups may be considered

Guidelines:

- Star USA FCU may choose to contribute time, money, or property
- Community Contribution Request Form must be submitted in writing (requests submitted without a Request Form will not be considered)
- Must directly benefit the community we serve
- Must benefit Star USA FCU through community goodwill, positive publicity, and when possible, access to a group's membership list or roster for member prospecting

Star USA FCU will not consider the following requests:

- For-Profit agencies/organizations
- Individuals (rare exceptions may include personal or family disaster, educational trips)
- Religious or Church organizations (because our membership has spiritual diversity), with the exception of specific humanitarian or charitable missions
- Examples not considered – Beauty pageants sponsored by private organizers, sports teams, etc.
